

Service Users and Carers Involvement Forum

Training

As getting involved might be daunting, we offer training to support you.

Undertake training courses for yourself and/or help to train Trust staff.

Join Interview Panels

Recruit the type of staff that you would choose to work with

Audit Services

Compare what should be happening with what is actually happening

Service Development

Attending your Service User Forums is one of many ways to influence the design and development of services and ensure your voice is heard
